

COMPANY OVERVIEW

Adelphi Medical Staffing, LLC is a national staffing agency that specializes in placement of medical professionals such as physicians, advance practitioners, nurses, allied health professionals as well as non-medical staff. We source for public and private healthcare systems, correctional facilities, and educational institutions across the US. Guided by our mission of 100% client satisfaction 100% of the time, we focus on assisting and connecting our clients to qualified professionals as per their scope and needs.

CORE COMPETENCIES

RECRUITMENT AND PLACEMENT

We offer a multi-step recruitment strategy that ensures quick and efficient hiring by overseeing the sourcing, screening, interviewing, and onboarding of candidates. We aggressively utilize technology as a sourcing tool as well as leverage on our proprietary database with over 950,000 providers that include the following professions:

- Physicians in general practice, urology, family medicine, internal medicine, psychiatry, anesthesiology, etc.
- Physician Assistants, Nurse Practitioners (NPs), Advanced Practice Registered Nurses (APRNs), etc.
- Registered Nurses (RNs), Licensed Practical Nurses (LPNs), and Certified Nursing Assistants (CNAs) etc.
- Non-Medical sStaff, Academic Staff, Professors, Researchers, Administrative Staff and others.

CREDENTIALING AND PRIVILEGING ASSISTANCE

- Verification of professional certifications, memberships, and licenses.
- Participation in any private, State, or Federal health insurance program.
- Cross-checking any malpractice, board actions, privilege issues, or felonies.
- Substance abuse history and drug screening.

SERVICE COORDINATION

- Foster long-standing relationships in all our client and providers.
- Offer 24/7 support for clients and providers.
- Coordinate Travel and logistics.
- Timesheet verification for all providers on temporary assignment.
